### BIOGRAPHY

Nick Passey and the Perpetual Sadness is an Americana/Folk duo with Nick Passey as the singer/guitarist and Kaitlin Findlay as the cellist. Formed in 2017, Findlay complements the eerie undertones that Passey's lyrics suggest, staying tuned-in and effortlessly anticipating each mood switch. Whether it be sway-induced strings or foot-stomping plucks, these musicians transfer their emotions to put on a performance that will keep you intrigued, engaged, and in awe.
